Index to JCCA Volume 44 (2000)

ADHESIVE CAPSULITIS – A CASE REPORT: Kazemi M 169
ANALYSIS OF THE RELATIONSHIP BETWEEN PROGRAM DESIGN AND PROFESSIONAL PRACTICE IN CMCC'S UNDERGRADUATE CHIROPRACTIC PROGRAM: Saranchuk R, Watkins T 230
ANKYLOSING SPONDYLITIS PRESENTING TO A CHIROPRACTIC OFFICE: A REPORT OF TWO CASES: McDermaid C, Mior S 87
Annis RS: see Gleberzon BJ, Annis RS 98
audits, chiropractic audits 113

Balsky S, Goldford R: Rehabilitation protocol for undisplaced Colles' fractures following cast removal 29
blind, rehabilitation of the proximal crossed syndrome in an elderly blind patient: a case report 223
Book Reviews 59, 125, 252
Bortolotto J: Reflex sympathetic dystrophy – an enigmatic improvement with spinal manipulation 245

capsulitis, adhesive capsulitis – a case report 169
Carey P, Freedman A, Moss J: The other informed consent (commentary) 76
carpal, est-ce vraiment un syndrome du canal carpien? compression proximale du nerf median 149
Carr R: see De Camillis D, Carr R 209
Carter R: Subluxation – the silent killer (commentary) 9
center, the reliability and potential value of a specific center of pressure locator in chiropractic practice 209
CHIROPRACTIC AUDITS: Freedman A 113
chiropractic, nitric oxide: a challenge to chiropractic 40
Colles, rehabilitation protocol for undisplaced Colles' fractures following cast removal 29
compliance, factors affecting compliance to chiropractic prescribed home exercise: a review of the literature 141
consent, the other informed consent (commentary) 76

De Camillis D, Carr R: The reliability and potential value of a specific center of pressure locator in chiropractic practice 209
Descarreaux M: see Normand MC, Descarreaux M 149
DETECTION OF A RADIAL HEAD FRACTURE BY IMAGING METHODS VERSUS CLINICAL METHODS: A CASE REPORT: Tuling JR 34
dystrophy, reflex sympathetic dystrophy – an enigmatic improvement with spinal manipulation 245

entrapment, median and anterior interosseous nerve entrapment syndromes versus carpal tunnel syndrome: a study of two cases 103
EST-CE VRAIMENT UN SYNDROME DU CANAL CARPIEN? COMPRESSION PROXIMALE DU NERF MEDIAN: Normand MC, Descarreaux M 149
exercise, factors affecting compliance to chiropractic prescribed home exercise: a review of the literature 141

FACTORS AFFECTING COMPLIANCE TO CHIROPRACTIC PRESCRIBED HOME EXERCISE: A REVIEW OF THE LITERATURE: Milroy P, O'Neil G 141
fracture, rehabilitation protocol for undisplaced Colles' fractures following cast removal 29
fracture, detection of a radial head fracture by imaging methods versus clinical methods: a case report 34
Freedman A: Chiropractic audits 113
Freedman A: see Carey P, Freedman A, Moss J 76

Gleberzon BJ: Name techniques in Canada: current trends in utilization rates and recommendations for their inclusion at the Canadian Memorial Chiropractic College 157
Gleberzon BJ, Annis RS: The necessity of strength training for the older patient 98
Goldford R: see Balsky S, Goldford R 29

HORSE THAT WAS A ZEBRA: PRIMARY LYMPHOMA OF BONE MIMICKING SHOULDER STRAIN IN AN ELDERLY MALE: Keyes W, Morgan C, Pulinec A 21
imaging, detection of a radial head fracture by imaging methods versus clinical methods: a case report 34
informed, the other informed consent (commentary) 76

Kazemi M: Adhesive capsulitis – a case report 169
Keating JR: Philosophy: the art of skepticism (commentary) 79
Keyes W, Morgan C, Pulinec A: The horse that was a zebra: primary lymphoma of bone mimicking shoulder strain in an elderly male 21

Lee HM: Rehabilitation of the proximal crossed syndrome in an elderly blind patient: a case report 223
Letters to the Editor
Chapman-Smith D: Donald Sutherland DC, chiropractic statesman and diplomat 49
McDermaid C: Adverse effects potentially associated with the use of mechanical adjusting devices 49
Nykoliation J, Mierau D (in reply): Adverse effects potentially associated with the use of mechanical adjusting devices 50
McKay TJ: Adverse effects potentially associated with the use of mechanical adjusting devices 51
Nykoliation J, Mierau D (in reply): Adverse effects potentially associated with the use of mechanical adjusting devices 51
Keating JC: Chiropractic in the next millenium 52
Peterson D (in reply): Chiropractic in the next millenium 53
